***Take the CGC Test and/or earn your Trick Dog Novice/Intermediate/Advanced title***

Taking the 10-skill CGC test is a great accomplishment, exemplifying the amazing bond you have with your dog! When you and your dog are ready to test your abilities on all ten skills you're ready to take the CGC Test with an AKC Approved CGC Evaluator.

Trick Dog titles are another great way to show off the bond and solid relationship you have with your dog. After you and your dog have learned the skills needed to reach the first (or next) trick dog title, it's time to see an AKC Approved Trick Dog Evaluator to take the test.

Actual test times and availability will vary and are made available on a first come first served basis at the event.

CGC and Trick Dog titles may be earned on the same day, however, handlers should send both CGC and Tricks title application in the same envelope so that AKC can enter the CGC on the record first. If the dog needs an AKC Canine Partners number, this application can also be sent in the same envelope with the CGC or Tricks title applications.

**A \$25 Fee will be collected at the time of testing, per test.**
