BLUE LINE —K 9— DOG TRAINING @BLUELINEK9JOPPA

January 24 – 25, 2026

WORLD OF PETS EXPO & Educational Experience

Challenge: Earn a title with your dog today!

Ready to turn your booth-stops and belly rubs into a real "we did that!" moment? At the expo, you can go for your Canine Good Citizen (CGC) and/or Trick Dog Novice / Intermediate / Advanced title - aka the ultimate brag-worthy souvenir.

CGC: 10 skills…One rock-solid team
The 10-skill CGC test is a huge accomplishment and a fun way to show off your dog's manners and your teamwork. When you and your pup are confident on all ten skills, you're ready to test with an AKC-Approved CGC Evaluator.

Trick Dog: lights, camera…treats!
Trick Dog titles are the perfect expo crowd-pleaser, because your dog gets to be the star. Once you've mastered the skills for your first (or next) title, you'll test with an AKC-Approved Trick Dog Evaluator and make it official.

A $25 Fee will be collected at the time of testing, per test.

Saturday – AKC CGC & Trick Dog	**11:00 am - 12:00 pm**	
	4:00 pm - 5:00 pm	
Sunday – AKC CGC & Trick Dog	**11:30 am - 1:00 pm**	

Test times/availability vary and are first come, first served at the event.

You can earn CGC + Trick Dog titles the same day. If you do, mail both applications in the same envelope so AKC records CGC first.

If your dog needs an AKC Canine Partners number, include that application in the same envelope with your CGC/Trick Dog paperwork.

We Make Dog Training Fun & Easy, No matter the breed, No matter the size, No matter the problem. Blue Line K-9's Mission is to empower and educate families with our communities with the knowledge and guidance to build lasting bonds with their dogs as they navigate through all of the fun adventures life brings.
